

Product data sheet

Information

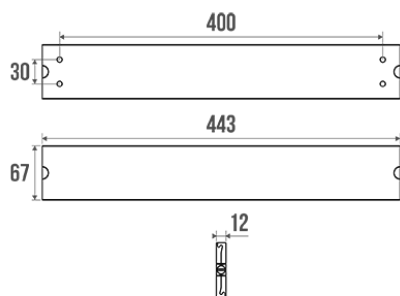

Designation	Rail & cover 443 mm + anthracite grey bolts, anodised aluminium
Reference	044043

Product advantages

- + Perfect idea for a customised solution.
- + Useful for upgrading a shower into an ergonomic and comfortable space.
- + Cover makes fixing rail invisible.
- + Upgradeable product !

Description

Fixing rail fitted with an anodised aluminium cover, with 2 anthracite resin screws. The cover can be replaced with a straight grab bar of 443 mm or a backrest for shower seat and can thus be used to convert a "Classic" shower into an ergonomic "Comfort" shower.
