

Product data sheet

Information

Designation	Cold body thermostatic mixing valve NF C2
Reference	802527

Product advantages

- + PMR thermostatic mixing valve with non-edged handles

Description

PMR thermostatic mixing valve with non-edged handles

Technical characteristics

Material	Brass
Packaging	Cardboard box + label
Gross weight	2 kg
Net weight	1.9 kg
Gencod	3563398025279
Custom code	
Technical sheet	No technical sheet available
