PRODUCT DESCRIPTION

The RITMO shower seat is compact and retractable with an automatic handle. Its ergonomic seat offers optimal comfort. One of the main features of this seat is that it can be unclipped from its wall bracket, making it easy to replace with a shower shelf. The Reklite material, used for the seat, is a thermo-compressed composite resin reinforced with a mineral filler and dyed throughout. The aluminium base is not only robust but also lightweight, making it easy to handle the seat. Normalized height 500 mm.
