

ARSIS T- OR L-SHAPED GRAB BAR

Bright Anodized

049621

PRODUCT DESCRIPTION

The ARSIS T-shaped or L-shaped aluminium bar is mainly installed in a shower area. It allows you to keep your balance while standing or sitting, to get up and to transfer from one support to another.

The T- or L-shaped configuration must be defined during assembly. Once the bar is laid, the chosen configuration remains fixed.

It will bring a touch of design and modernity to your bathroom.

It offers an optimal grip thanks to its 38 x 25 mm elliptical tube.

It comes with a shower shelf that attaches with hooks and 2 rotating hand shower holders (one fixed and one sliding).

The fixing covers are made of polymer.

The ARSIS T-bar or L-bar is delivered disassembled and has 3 fixing points.
