ALUR WASTE BIN

Satin Black

872410

PRODUCT DESCRIPTION

The ALUR 10-litre trash can in satin black steel is an elegant and functional choice.

One of the most practical aspects of this trash can is its bag holding system.

Thanks to an ingenious double wall, the bag is securely held in place, preventing slipping or overflowing.

This mechanism ensures clean and hassle-free use, making it easy to replace bags and ensuring optimal hygiene.

The ALUR trash can is equipped with a rubber protection on the underside, which prevents scratches on the floors.
