

WALL-MOUNTED HAIRDRYER

White

878191

PRODUCT DESCRIPTION

The ergonomic design of this hair dryer offers both robustness and aesthetics.

With IP 44 protection, it is suitable for environments with high electrical safety constraints.

Equipped with a 45 cm hose that can be extended up to 1.35 m, it offers great practicality.

It activates automatically when you pick it up.

Easy to install and use, it is the essential tool for those looking for performance and safety.

Specificities:

- Power: 1000 W
- Flow rate: 80 m³/h
- Class II - IP44
