MAXI TOILET PAPER DISPENSER

White & Grey

878536

PRODUCT DESCRIPTION

This toilet paper dispenser is ideal for high-traffic environments such as offices, shopping malls, public facilities.

Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination.

Thanks to its large capacity, it requires fewer frequent refills, reducing maintenance time and optimizing the efficiency of cleaning services.

It has an ABS cover and a key lock. It is compatible with 350 and 500 m rollers with a diameter of 240 mm (ref. 870180 and 870513).

The mandrel has a diameter of 45 mm. Made from recycled plastic, this dispenser is a smart choice to ensure user satisfaction and well-being on a daily basis.
