

## TECHNICAL SHEET

# SOAP DISPENSER WITH FLOW REDUCER

Matte Black

872160

## PRODUCT DESCRIPTION

This soap dispenser has a capacity of 700 ml. Made of ABS, a highly durable and easy-to-clean composite material, this dispenser is perfect for use in busy public spaces.

It has a key lock and a removable tank.

It is also equipped with a flow reducer.

Easy to install, it is compatible with a wide range of liquid soaps including hydroalcoholic gel, thus offering great flexibility of use. This dispenser is available in 2 versions: white with push palette and matt black.

## PRODUCT ADVANTAGES

COST-SAVING

HARD-WEARING

MADE IN FRANCE
