OVAL BASIN

Polished Gloss

063560

PRODUCT DESCRIPTION

The oval basin is an ideal piece of equipment for collective spaces, combining design and functionality.

It is characterized by its one-piece backsplash and push-to-the-knee tap, making it easy to use and ensuring optimal hygiene.

This high-gloss polished stainless steel washbasin has a capacity of 6 litres and comes with a cold water siphon equipped with a non-return valve.

It is connected to the water network via a 15/21 connection.

Compliant with the NF Food Hygiene standard, it is suitable for catering establishments and communities.
