PRODUCT DESCRIPTION

The BANDOL washbasin countertop is designed to meet the needs of people with reduced mobility (PRM), making it an ideal choice for shared spaces. Its offset design offers better access to the basin while optimizing space. Made of composite material, a mixture of marble powder and synthetic resin, it complies with the NF EN 14688 standard. Its smooth, non-porous Gel-Coat coating guarantees easy cleaning, scratch resistance and can withstand temperatures of up to 95°. It is equipped with a front skirt and a splash guard. It is also equipped with side cheeks. This washbasin is available with or without an overflow and can be delivered with a hole in the centre for the taps or without a hole, depending on your preferences (to be defined when ordering). It is sold without taps or drain drains, giving you the freedom to choose the accessories that suit your needs and style.
