

COLLIOURE WASHBASIN

White

052619

PRODUCT DESCRIPTION

The curved COLLIOURE washbasin is a piece of equipment adapted for people with reduced mobility (PRM) ideal for shared spaces. It is made of composite material, a mixture of marble powder and synthetic resin (meeting the NF EN 14688 standard). Its smooth, non-porous Gel-Coat coating ensures ease of cleaning and resistance to scratches and temperatures up to 95°. It is equipped with a front skirt and a splash guard. Available in two versions: rounded to the right or rounded to the left in order to adapt to all configurations. It also has no side cheeks. It is available with or without overflow and can be delivered with a centered hole, on the right or left for the faucet or without a hole, depending on your preferences (to be defined when ordering). It is sold without taps or drain drains, giving you the freedom to choose the accessories that suit your needs and style.

PRODUCT ADVANTAGES

EASY TO CLEAN

PRM COMPLIANCE
