PRODUCT DESCRIPTION

The DEAUVILLE washbasin countertop is specially designed to meet the needs of people with reduced mobility (PRM), making it an ideal choice for shared spaces. Made of composite material, a mixture of marble powder and synthetic resin, it complies with the NF EN 14688 standard. Its smooth, non-porous Gel-Coat coating guarantees easy cleaning, scratch resistance and can withstand temperatures of up to 95°. It is equipped with a front skirt and a splash guard. Available in two versions: rounded to the right or rounded to the left in order to adapt to all configurations. It is available with or without overflow and can be delivered with a hole on the right or left for the faucet or without a hole, depending on your preferences (to be defined when ordering). It is sold without taps or drain drains, giving you the freedom to choose the accessories that suit your needs and style.
