Elliptical tube in bright anodized aluminium 38 x 25 mm.
Chrome-plated resin flanges.

Wall fixings included.
Design coordinated with all ARSIS Comfort items.
Perfectly suitable for use in the hospitality industry.

Technical characteristics

Finish	Anodized
Dimensions	105 x 70 x 67.5 mm
Diameter Ø	38 x 25 mm
Material	Aluminum
Gross weight	0.180 kg
Packaging	Plastic protection bag + Hanger for display
Made in France	yes
Maintenance	yes
Guarantee	5 years
Gencod	3563390496114

Custom code	7615200000
Technical sheet	S04901100_IND_03
Spare parts	Réf. 049006 : Cache-fixation chromé, Réf. 049007 : Support de fixation alu chromé

Fixing and maintenance advices

The towel rails are designed and manufactured for use assigned to them. These products may under no circumstances be used to maintain, recover or hang. Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws (Ø 4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely.
