

## Product data sheet

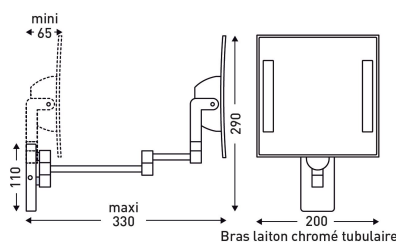

### Information

Designation	LED illuminated enlarging mirror, 240 x 340 mm, Chrome and nickel-plated Brass
Reference	005580

### Product advantages

- + Economy saver: LED lighting !

### Description

Wall-mounted swivel mirror.  
Power supply: 1x 3.6V standard lithium battery (included).  
Touch sensitive control.  
3-minute timer.  
Battery life: up to 5 years depending on the use.  
3x magnification.  
4 joints.  
Maximum extension: 340 mm.

Wall fixings not included.  
No wiring required.  
Can be placed anywhere in the bathroom.  
Absolute electrical safety.

### Technical characteristics

Finish	Chrome-plated
Diameter Ø	330
Material	Brass
Packaging	Box
Made in France	yes
Maintenance	yes
Guarantee	5 years
Gencod	3563390055809
Custom code	7418200090
Technical sheet	No technical sheet available
Spare parts	Ref. 005584, Standard lithium battery 3.6 V.

### Fixing and maintenance advices

Careful consideration and selection of the appropriate wall fixings according to the wall-mounted support is required to ensure the long life of your accessory. The use of stainless steel screws (Ø 4 mm) is highly recommended to prevent corrosion in damp environment. Before drilling, physically hold the product against the wall at desired

position and mark the hole locations. All the fixing points must be respected. After installation and before use, make sure that all fixing screws are tightened securely.
